

**PROGRAM OF  
INTEREST AT  
MEHARRY HALL**

FIRST OF SERIES OF MUSICAL  
ART REVIEWS STARTS  
TONIGHT

PROF. LAWLESS IS IN CHARGE

Songs and Instrumental Numbers of  
France, Italy, Germany And  
Persia to Be Rendered.

Something entirely new in Green-taste in a music way will be presented in Meharry Hall this evening at 8:15 o'clock, when the first of a series of Musical Art Reviews will be presented under the direction of Prof. Paul H. Lawless of the School of Music.

Prof. Lawless is working an original idea and from month to month a series of programs of music of all the nations will be given in costumes. Tonight the music of France, Italy, Germany and Persia will be given. It will consist of the operas and folk songs of these nations. Others will follow until school closes and next fall, it will be taken up again and carried on throughout the year until the dinner is reached at the first

the climax is reached at the final number, when all students who have taken part will appear together, and with the symphony orchestra. Prof. Lawless hopes to make of this new work, a course of music study covering a period of two years. He hopes that it will add interest to the work in music, and will also have its effect on the jazz area which is the present

Tonight's program is entirely free to the public and all who are interested are cordially invited for this evening's program: The program is as follows:

**SCENE**

**Report Robbers**

## Report Robbers At University

A forced entrance was made into the office of the Public Speaking department sometime Saturday night or Sunday. It is generally believed

that the visit was made in the hope of securing the receipts from the 'Duzer Du' production rendered last week.

The intruder or intruders, as the

case may be, gained admission to the office by forcing open a window in the rear of the church. The room was thoroughly ransacked, but all to no

there to be found. Professor Gough humorously displayed his grade book when he declared that nothing seemed to be missing.

In contrast with the numerous robberies committed on the campus last year this is the first to be reported during the present school year.

### The Comedy Riot "TAXI-TAXI"

#### CHANG PLANS FOR BIG OFFENSIVE DRIVE

(Continued from page one)

This closed debate and the roll was called.

Senate Bill No. 190 which creates an additional court in Allen county was passed by the House by 84 to 5. The House also passed Senate Bill No. 195 which proposes to establish inter-state reciprocal relations for the use of motor trucks or motor bus licenses. This is an outgrowth of the trouble that has been experienced in recent months with the Kentucky automobile license department.

Senate Bill No. 181 which repeals

the dietition law of 1925 which is known as the D. C. Stephenson bill, was repealed.

One House Bill was killed which is of general interest. It was known as the Smith of Tippecanoe and Bender bill which would amend the primary law so that there would be a first and second choice at primary elections.

#### LIQUOR FOUND IN BOOT

ST. OMER—Police here have discovered a real bootlegger. Searching William Petty of this city, authorities discovered a bottle of liquor concealed in a boot.

## Personal And Local News

Dwight Farrow of Long Lake, Nebraska is visiting at the home of

Mr. and Mrs. George Crump.

The Historical Society will meet next Tuesday night at 7:30 in the assembly room of the court house.

H. C. Callendar, Jr., and Estel Jones were Bloomington visitors Tuesday.

There will be services at the First Pentecost church on Ohio street each evening this week at 7:30 o'clock.

The regular Presbyterian Prayer meeting tonight in the church parlor at the regular hour.

Regular Prayer meeting at the Baptist church tonight. Also Monthly business meeting at 7:30 o'clock.

Miss Nora Canary and James O'Grady of Chicago came for the funeral of their cousin Miss Jennie Grady which was held from St. Pauls Catholic Church at 9 o'clock.

The regular monthly meeting of the Methodist Sunday School board will be held Friday evening at 8 o'clock. All teachers and officers are requested to be present.

Sister Mary Theodora of St. Marys of the Woods was here today for the funeral of her sister, Miss Jennie Grady. She was accompanied by a sister from the convent.

The Bainbridge Economic Club will hold a silver tea at two o'clock Monday afternoon March 10, to raise money for the Bainbridge Cemetery fund. The meeting is for the public.

The funeral of Newton Wells was held Thursday afternoon at 2:00 at the McCurry Funeral Parlors with Rev. John Sweet of Marshall, Ill., in charge. Interment was in Forest Hill cemetery.

Miss Kathryn Burk, 13 year old daughter of Mr. and Mrs. John Burk, living in Parke County, was operated on at the hospital Thursday morning. Dr. Noble, Jr. of Indianapolis and Dr. W. M. McGaughey performed the operation.

The Revival Services at Maple Heights Mission are progressing nicely. A large crowd came to enjoy the services, good music and singing. Brother and Sister Harvey will assist with their music and singing. Every body is welcome. Come and bring a friend, Mrs. Grace Black in charge.

The Second Ward Parent-Teachers Association will hold its regular meeting Friday afternoon at 2:30. Rev. B. H. Bruner of the First Christian Church will speak. Miss Frances Cain pianist, and Mr. Leslie McCullum, violinist, will give a short program. The children of Miss Baldwin's room will sing.

The Women's Bible class of the Methodist Church met Wednesday evening at the home of Mrs. U. V. O'Daniels, 516 East Seminary street, and enjoyed a very delightful dinner served at 6:00. Recitations and songs were had from Guffey's old readers and the meeting was a most enjoyable occasion.

Sam Byrd, a resident of Fillmore, suffered a ruptured artery in his leg, Wednesday afternoon while in a downtown store. Mr. Byrd was unaware of his condition until some one laughingly asked him what he had broken on his hip. Dr. Cecil O'Brien of this city, was summoned immediately, but a considerable quantity of blood was lost. Mr. Byrd was improved Thursday morning.

Mrs. Rex Rafferty and son and Mrs. Mark Bills and son of Fort

R. P. MULLINS, DRUGGIST

Wayne are visiting their parents here. They drove here Wednesday and when near the school house east of the city, they noticed fire in the bottom of their car and after stopping and getting the children out, and a grip of clothing, there was an explosion of gasoline, which might have proven serious to the members in the car had it occurred a short time before. The car was not destroyed, but was put out of commission and had to be towed to the city. None of the occupants was injured.

Mrs. Mable Gasky is visiting friends in Greensburg.

Miss Pearl Johnson of Reno returned home after spending a week here with Miss Mildred Evans North Jackson St.

The meeting of the Sun shine Class of the Christian church which was to have met with Emma Caroline Conklin has been postponed until March 12th.

The March Entertainment Committee of the Country Club has issued invitations for a box supper at the club house next Friday evening, March 11.

Mrs. Frank Stiles has received word from her son Sherman, of Gary that he has recovered from his recent illness and is now employed by a large lumber mill in that city.

Mr. and Mrs. F. P. Huest's will celebrate their fiftieth wedding anniversary Tuesday, March 8th. They would like their friends to call from 2 to 5 and 7 to 9 P. M. There will be no invitations.

#### SORORITY INITIATES

The first initiation among the sororities was held by Delta Zeta for eight of their pledges Saturday Feb. 25. Those initiated were: Mildred Hall, Lerna, Ill.; Katherine Keller, Brazil; Sally McBride, Winamac; Grace McCullum, Petosky, Mich.; Delitha Swadlow, Marion; Esther Elkins, Marion; Miriam White, Marion; Katherine Homan, Bridgeport, Ill.

Mary Frances Cooper '23 of Greencastle, Helen English '25, of Bloomington, Elizabeth Chambers '26, of Greencastle, Miss Ruth Robertson '20, Mrs. Calhoun, chaperon, and Sabina T. Murray of Indianapolis were guests at a formal dinner given after the initiation services.

#### DEATH REMAINS SILENT

INDIANAPOLIS, March 3.—Maintaining his silence as to what action he may take to maintain his position Judge Clarence Dearth of the Delaware Circuit Court, came to Indianapolis today and employed the law firm of Ralston, Gates, VanNuys, Larry and Barnard, to represent him and then slipped out of the city again for home.

It was said that quo warranto proceedings might be filed with the Supreme Court to settle immediately the whole question of the right of the legislature to remove a judge from office.

Articles were prepared by the House Board of Managers shortly before noon today to be presented to the Senate during the afternoon.

### Recipe to Clear a Pimply Skin

Pimples Are Impurities Seeking an Outlet Through Skin Pores.

Pimples, sores and boils usually result from toxins, poisons and impurities which are generated in the bowels and then absorbed into the blood through the very ducts which should absorb only nourishment to sustain the body.

It is the function of the kidneys to filter impurities from the blood and cast them out in the form of urine, but in many instances the bowels create more toxins and impurities than the kidneys can eliminate; then the blood uses the skin pores as the next best means of getting rid of these impurities, which often break out all over the skin in the form of pimples.

The surest way to clear the skin of these eruptions, says a noted authority, is to get from any pharmacy about four ounces of Jad Salts and take a tablespoonful in a glass of water each morning before breakfast for one week. This will help prevent the formation of toxins in the bowels. It also stimulates the kidneys, thus coaxing them to filter the blood of impurities and clearing the skin of pimples.

Jad Salts is inexpensive, and is made from the acid of grapes and lemon juice, combined with lithia. Here you have a pleasant, effervescent drink which usually helps make pimples disappear.

### At The Movies

Voncaste Theater  
Richard Dix and Betty Bronson are co-starred in comedy-drama, "Paradise for Two" which is the feature attraction at the Voncaste Theater this evening and Friday. It is a lively story of a young man who poses as a married man to inherit the fortune of an eccentric uncle. He has a friend employ a girl to be his "wife" and the excitement starts. The young man finds he is falling in love with his partner in deluding the old uncle and when she leaves him he goes after her. There is action in every scene and both Mr. Dix and Miss Bronson are at their best. The picture is a benefit show for the Junior class of the high school.

11:00 p. m.—Circle theater request program, Dessa Byrd, at the organ.

### PROBE DEATHS OF 5 INFANTS

CHICAGO, March 3. (UP)—Post-mortem examinations will be held today into the deaths of five infants who died in a hospital yesterday from what health authorities believe to have been accidentally administered poison.

Five nurses who were in attendance at the infants' ward of the hospital are to be asked to testify at the post-mortem.

Dr. Herman Bundesen, city health commissioner, said a number of hours elapsed before reports of the deaths were made by the hospital. Four of the babies were buried but Coroner Oscar Welff issued an order preventing the burial of the fifth and the other four bodies probably will be exhumed today.

After a short investigation Dr. Bundesen issued the following statement:

"After a most careful investigation of the records we can only conclude that probably a solution of boric acid was given in drinking water to the five children who died. Every effort is being made to verify this conclusion."

The five infants ranged in age from 7 to 14 days old. They were in the same ward and died within a few minutes of each other. They each became ill, had convulsions and died within a few minutes.

Dr. Bundesen said that probably a nurse's error caused the deaths.

It was pointed out that the boric acid solution is kept in a bottle somewhat similar to that containing distilled water which is given the babies. It is believed that perhaps a nurse gave the babies the boric acid instead of the distilled water.

Some doctors doubt this theory saying that the boric acid solution—which is used for washing the infants' eyes—was too weak to cause death.

There are five nurses working in the ward in addition to the Mother Superior. They are all to be questioned by the authorities today.

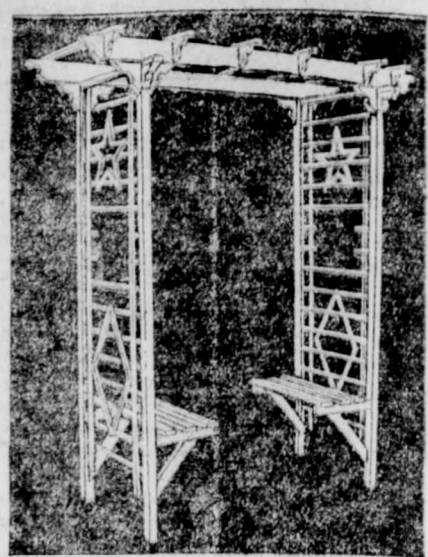

#### TERRIBLE EXPERIENCE

SEWARD, Alaska, March 3. (UP)—Equipped merely with a wet blanket to withstand the rigors of an Alaskan winter, Axel Larson spent two weeks marooned on an island 12 miles from here, it was revealed today when he arrived aboard the vessel which had reached him, the hall-bus schooner Republic.

Larson's fishing boat was wrecked a fortnight ago and he was cast on the island without food or matches but with a blanket which was soaked and remained wet during his enforced stay.

Wind, snow and hail alternated to plague Larson, but he subsisted on mussels and was able to keep alive. Owing to heavy surf, Larson was compelled to swim 70 yards to reach the Republic.

## INCREASE YOUR WEIGHT 5 POUNDS IN 30 DAYS OR MONEY BACK

Doctors and good pharmacists know that Cod Liver Oil is full of vitamins that make flesh, create appetite, build up the power to resist disease and puts good solid flesh on skinny men and women.

But it's repulsive in taste and smell and nearly every stomach rebels against it. So now men and women who keep up with the times are taking McCoy's Cod Liver Oil Compound Tablets—rich in flesh producing, health building, strength creating vitamins and as easy to take as candy.

Try them for 30 days if you want to fill out those scrawny hollows in chest, cheeks and neck and gain strength and vigor. And bear this in mind if they don't help you in that time R. P. Mullins or any druggist anywhere will return your money. But demand McCoy's 60 tablets 60 cents.

## NET TABS

Our sports section today is devoted entirely to the Tiger Cubs who enter the sectional net tourney tomorrow afternoon carrying the hopes of every Greencastle fan. Facing the stiffest schedule of any team entered in the tournament, Coach Bausman and his Purple and Gray basketballers are determined to take each opponent as they come—break the Bainbridge "Jinx"—and win the right to represent this community in the regional tourney to be held here next week-end. The boys are in good physical condition and will have no alibis in case of defeat but they are not figuring on losing and if they play the brand of ball that they are capable of, they won't lose.

Go in and fight, gang, we're all backing you.

### Tiger Cub Mentor

W. E. Bausman

Here he is, folks, the fellow who will match his wits with the other coaches in the county tomorrow and Saturday. Bausman is ending his third year as athletic director at the local high school and he has developed his best team this season. Due to his work, the Cubs have won 14 out of 20 games this winter, totalling 646 points to their opponents 534, a margin of 112 points. His proteges won the Victory Brick from the strong Washington quintet and defended it for six games, losing it by one point in the seventh tilt to the rejuvenated Rushville squad. Nine of the fourteen victories came in consecutive order, as the locals have lost but one game since Christmas.

### Greencastle's Tiger Cubs

Bottom row: Masten, forward; Tobin, guard. Middle row: Lear, forward; Longden, forward; Alexander, forward; Brown, guard. Top row: Hammond, forward; Miller, guard; Coach Bausman; Reeves, guard; Johnson, center.

## Oldest Living Grad Received A Diploma Sixty-Six Years Ago

Sixty-six years ago this June Major John Dunbar received his diploma from Indiana Asbury. Major Dunbar is DePauw's oldest living graduate, and is consequently the holder of the DePauw Alumni Memorial cane. After his graduation in the class of '61, he enlisted in the Union Army where he rose through the ranks from private in 1862 to major, Seventy-ninth Regiment, Indiana Volunteer Infantry in 1865. Following the War, Major Dunbar practiced medicine for three years, then he served as assistant assessor of internal revenue and as postmaster at Greencastle. Since 1871 he has resided at Greencastle near which he was a farmer for a number of years.

DePauw's second oldest living graduate is the Rev. H. M. Stoltz, '62. Rev. Stoltz has held various pastorates in the Methodist Church in Indiana and in Kansas. At different times he has been connected with Kansas Wesleyan University as one of its founders, as dean of finances, and as treasurer and president of its Board of Trustees. He now resides at Salina, Kansas.

Dr. Salem B. Towne, Financial Secretary and Treasurer of DePauw, is the third oldest living graduate. Previous to his connection with DePauw, Dr. Towne practiced medicine at Frankfort, Ind., 1871-75, then for thirty years he was a minister in the Northwest Indiana Conference. His class was that of '66, and he was the 251st person to receive a diploma from DePauw.

### RUTH GET BIG SALARY

NEW YORK, March 3. (UP)—Babe Ruth, who earned \$3,000 a year when he joined the Boston Red Sox, will sign a contract tomorrow that will make him probably the highest salaried man in baseball.

In the brewery of Col. Jake Ruppert, owner of the New York Yankees, the home-run hitter will sign up for three years at \$70,000 a year. The president of the United States gets \$75,000, but Ruth's movie earnings would put him well above that figure. Ruth said he got \$75,000 for his movie work this winter.

### ALL OVER INDIANA

GREENSBURG—Two new grandchildren in a half hour is the record of Mr. and Mrs. John B. Rolfe of this city. They were called to the home of their daughter, Mrs. Louise Luken to see a new grandchild and thirty minutes later another daughter, Mrs. Raymond Dwenger, reported the birth of a son.

MARION — Patrolman Frank Brandon of the Marion police force has celebrated his 22nd anniversary as a member of the local department. Patrolman A. M. Marsh is his only senior in the point of time.

ROSSVILLE—The first string of fish was exhibited here by Charles F. Whitehead, local hardware merchant. On his first trip after the

## COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores  
Its Natural Color and  
Lustre At Once

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients in a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

finny tribe this year, Whitehead caught a string of fifteen suckers.

PERU—When the home of Harry Miller here was robbed, Miller inserted an ad in the paper informing the chief his identity was known and that no question would be asked if the stolen property was returned. The next day an ad was inserted telling Miller he could have his property if he called at the thief's home for it.

BRAZIL—Residents of this city have started a drive to have "Sugar Lake" restored for a swimming pool. The pond was filled several years ago because boys insisted on swimming in it a la Adam.

COLUMBIA CITY — Leo Emery of Columbia City thought it too early for bees but he got stung. He was caught off guard by a honey bee and stung on the finger.

We don't believe there is a better team than Johnson, Hammond, Miller, Masten and Reeves in this county and these boys should win the sectional for G. H. S.

A. W. Teter, District Manager, Noblesville.

#### DIES AT FUNERAL

PLATTSBURGH, Neb., March 3.—"It's hard for us to realize how uncertain life is. We never know what hour we may be—"

As Monsignor Michael Shine, pronounced these words at a funeral at the Holy Rosary church here, Miss Petrolina Chaloupea, 78, member of the choir, reeled in the choir loft and fell dead to the floor.

#### HOUSE MANY CO-EDS

BLOOMINGTON, Mar. 3. (UP)—Sorority houses provide homes for more coeds at Indiana university than any other housing provision, a report compiled at the office of Agnes E. Wells, dean of women showed today.

On the 1,379 coeds enrolled at the local school, 444 reside in sorority houses while dormitories provide for the next largest quota, 334. Private homes accommodate 316 while 162 are town students, and 123 live in scattered places.

Of the 1,623 men enrolled, 776 live at Greek letter houses, 101 at South Hall and 746 in other places.

Girls listed under "scattered places" include married students, those living with relatives, those in the country and a few who live at the house where they work for their room and board.

#### BILL MAY NOT PASS

INDIANAPOLIS, Mar. 3. (UP)—The Hoelms junior college bill now in the Indiana House of Representatives has encountered such strenuous opposition in certain quarters that its

### TRY SULPHUR ON AN ECZEMA SKIN

Costs Little and Overcomes  
Trouble Almost Over  
Night

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying Menthosulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. Sufferers from skin trouble should obtain a small jar of Rowles Menthosulphur from any good druggist and use it like cold cream.

### 135 Students Named In List Honor Winners

SEVENTY-FIVE MEN, SIXTY WOMEN RECEIVE MID-COURSE HONORS.

One hundred and thirty-five students were awarded mid-course honors this year, according to a report from the Registrar's office today. Of this number, 75 were men and 60 women. Last year, 120 students were listed.

Students who have completed 60 academic hours in the University and have 120 credit-points not later than the end of their sophomore year are entitled to mid-course honors. This list of names will be published in the annual catalog which will be printed soon.

Students who won this honor were: Emerson Allman, Raymond Anderson, Charles Baker, Montfort Barr, John Best, Doris Black, Frederick Black, Oliver Black, John Bloxome, William Bowman, Fred Brammer, Mary Butcher.

Winship Callaghan, Henry Callantine, Georgia Carr, Ralph Caskey, Gordon Chapman, Mary Cline, Thelma Cluggish, Otis Collier, Freydis Cox, Helen Cox, Walter Dannel, Raymond Day.

Frances Eckardt, Alfred Eddingfield, Earl Elliott, Robert Emison, Elizabeth Engle, Francis Etherington, Frances Fatout, Helen Fehr, Sharon Finch, Florence Fox, Edith Funston, Earl Furgeson, Wendell Furry.

Helen Gerhart, Mary Glossbrenner, Ivan Goad, Paul Godwin, Mary Green, Alice Guest, Frank Hammond, Chester Harrison, Vernon Harshman, Ralph Hays, Keith Heilman, Helen Hester, James Hettmanperger, William Holder, Elizabeth Hollister.

Robert Johnson, Nora Jones, Henrietta Junglaus, Maxine Keith, Douglas Kerr, John Kimble, Charles Knaub, Ernest Lawshe, Gertrude Learned, Opal Leavitt, Madeline Lehman, Dorothy Lewis, Charles Link, Merton Lish, John Lockwood, Mary Louise Loop.

Margaret Macy, Marshall Mains, Mabel Marlar, John Marshall, Gertrude Mathew, Alice Maunders, Paul McCormick, Earl McDonald, Louis McGalliard, Margaret McLean, Helen Moffett, Ellen Morrison, Imogene Mullins, Ruth Nave, Paul Nelson, James Obeas, Paul O'Brien, Alberta Olsen, Josephine Overton.

Virginia Parish, Kenneth Parker.

John Pate, Sheldon Peirce, Dorothy Peterson, Daphne Petty, George Pierce, Carl Pottenger, Mary Rennoe, Samuel Riggle, Ralph Ring, William Robbins.

Robert Scharf, Hildred Schuell, Christina Scull, Betty Schrock, Howard Sifrist, Feryl Sipe, Kathryn Skinner, Arnold Small, Doris Smith, Rockwell Smith, William Smith, Leslie Sniff, Inez Sutherland, Marjory Sprague, Marian Stinson, Edwin Strain, Everett Stratton, Edwin Struck, Wilfred Stukey, Paul Summers, Ward Swarts.

Harriet Taylor, Caroline Theinhardt, Albert Thompson, Arnold Tilden, Orvan VanLue, Marian Vickery, William Wade, Helen Wagoner, Isabelle Wheeler, Laura White, Charles Whitmer, Martha Wood, Horace Wright, Marian Wright.

### Red Cross Starts Life Saving Class

THIRTY MEN REPORT TO THE INSTRUCTORS AT FIRST MEETING.

Thirty men reported for the Red Cross life saving class last Monday night, and several more are expected to enroll before work starts. Active work will probably begin tonight. The class is being given under the auspices of the athletic department, under the direction of Mr. Search. Doolittle and Francis student swimming instructors, are acting as instructors of the class.

The class will be held every Monday at 8:30 p. m. and every Wednesday evening at 7:30. Examinations will be held at the end of four weeks instruction, and those qualifying will be given membership in the Senior Red Cross Life Saving Corps.

No class was given last year due to the fact that suitable instructors could not be obtained. However, for several years previous life saving corps have been organized, and have proved very successful. Classes will probably be continued each year unless complications arise.

#### A FARMERS VIEW POINT

Mr. Editor:—

I see in Monday's issue of your paper, dated Feb. 28th, a lengthy article by Mr. Melvin A. Traylor, first vice president American Banker's Association. This Mr. Traylor, like Job's comforters we read about in the Bible assumes to be a friend and counsellor to us farmers. Now that Mr. Coolidge has vetoed the Haugen bill we must expect an ever increasing flood of such misleading arguments as Mr. Traylor has to present in order to convince we farmers that we have no need of any farm legislation.

Mr. Traylor says "this surplus production is a myth." He says that with the exception of cotton and cattle, production has been almost uniform throughout the two periods, viz., from 1911 to 1925 and from 1921 to 1925. He gave statistics to prove his statement which we do not deny.

While he lays great stress on the fact that production has been about uniform during these two periods, he is dumb to the undeniable fact that prices of farm products have also remained about uniform. He is also dumb as Balala's long-eared pony to the fact railroad rates and almost everything we farmers have to buy have almost doubled in price.

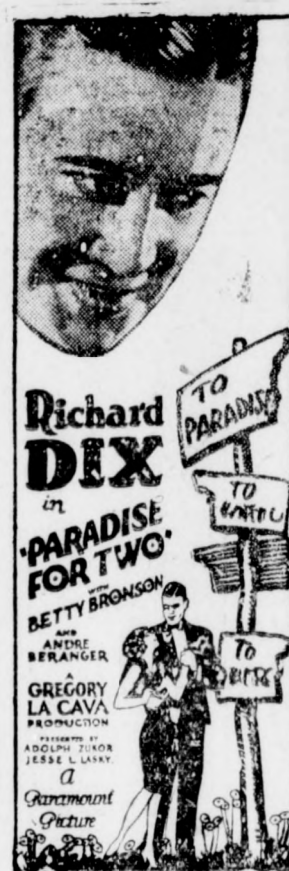

Our taxes have also about doubled since 1913. Mr. Traylor also fails to account for the causes for these conditions. The truth of the matter is, capital is protected against foreign competition by our protective tariff laws and Union Labor is also protected against foreign competition by our immigration law which forbids the captains of industry import foreign laborers to break labor strikes. Our captains of industry evade the "Sherman Anti-trust Law" by gentlemen's agreements and limit production and fix their own prices and thereby reap the benefits afforded them by the tariff laws. And in like manner Union Labor have availed themselves of the advantages of the immigration law by pooling their labor as if it were a commodity and selling it at a fixed price by "collective bargaining."

So we see both capital and labor reaping the benefits of legislation in their favor, while we millions of farmers who are not in position to organize and get to ourselves like benefits must sell the products of our labor and accept the price as set by the so-called "law of supply and demand." Both capital and labor have ceased to compete, while we farmers must, under present conditions continue to go on year in and year out and blindly compete against each other in both the field of production and world markets. Now let us see about that "surplus myth." I need not waste statistics to prove that for the past 50 years we have produced just enough cotton, corn, wheat and pork not only to supply our domestic needs but a large surplus which could only find a market in foreign countries. I pity the man or woman whose

mentality is so limited that he does not know that even a very small surplus of any commodity is sufficient to pull down the price to the level of the world market price.

Again Mr. Traylor says "there are millions of farmers who have gone through the recent crisis without any difficulty and are today prosperous and contented. In fact the complaints today are coming from 25 percent of the farmers of the country and from the hordes of politicians who are seeking to make capital out of the situation."

Such statements may serve to fool some people, but not the farmers. Statistics show that 25 percent of the farmers have lost their titles to their farms and 25 percent more are mortgaged to the hilt and many of them are as it were "squeezers" sitting there by consent of the mortgage holders. It is true that Federal Farm Loans have saved multiplied thousands of our farmers from losing titles to their homes.

Just recently I saw in this very paper where 312 farmers of this (Putnam) county are paying interest on the stupendous sum of \$1,250,000 Federal farm loans. And there are many other mortgages besides. I would like for Mr. Traylor to tell us which of the 25 percent of the farmers are making all this fuss about their financial troubles. Does he mean to convey the idea that it is the 25 percent who have lost their homes and are now too poor and down-east to lift up their voices in complaint? Or would he have us believe it is the other 25 percent who are mortgaged to the hilt? Not so Mr. Traylor. The truth of the matter is, if the 25 percent of our farmers who are still able and willing to pay their annual membership dues to support our Farm Bureau that are doing me if not all this agitation in behalf of farm legislation. Even most of our best-off farmers realize that they are "slipping" financially.

We now find ourselves unable to keep up and bear the expenses of maintaining our houses and barns and repairing our fences, etc. Mr. Traylor virtually acknowledges that we have just cause for complaint when he so generously prescribes the remedy for our ills. It is the "pull" that all we

### After the "Flu" is over —you need a Tonic

Help Is Needed to Restore  
Your Wasted Strength  
and Energy.

"Flu" leaves the body weakened and run down. In such cases, a tonic is clearly indicated. Restore the appetite and rid yourself of that let-down feeling. "Flu" is a very enervating disease. It leaves its victims so weak and debilitated that there is as much danger from the after-effects as from the disease itself. In other words, after an attack of the "flu," you need a selective

tonic to rebuild the system so that the energy restored. S.S.S. is unequalled for restoring strength and vitality. You owe it to yourself and family to give S.S.S. a trial. It helps Nature build up red blood corpuscles. It improves the processes by which the body is nourished. It is time-tried and reliable. S.S.S. is made from the roots of many herbs and plants, and is prepared in the scientific way in a modern laboratory. S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

farmers have been taking all our lives. He says "work hard." These are comforting words to us old fellows who find ourselves by our selves (our boys have gone to the cities) working ten to fourteen hours a day, just because we can not pay the price to get a good hand to assist us.

The last crumb of comfort Mr. Traylor has to offer is "get rid of quack doctors of political bunkum, and reveals our farms and equipment and start over again in full knowledge of the fact that we must face a keen and effective competition. That we must calculate in our income "inherent and underivable items" which must not be measured in dollars and cents.

Let us inspect this sweet crumb and see just what it implies. I suppose the first thing this Mr. Traylor would have us do, would be to get rid of our quack doctors of political bunkum by voting against all our Senators and congressmen who voted for the Haugen bill and vote for and elect

send Mr. Traylor who is so good a figure and ask him to figure it up for us. Doubtless he would reckon a most valuable asset, the keen competition we must face, for we know competition is calculated to make us get-up-and-hustle. I mean he means by our incomes in inherent and underivable items which are measured in dollars and cents. By great blessings which come to us (sweat of faces, sun-baked backs, tired limbs which serve to make sure that we appreciate our rest at the end of a hard day's work) and "THANK GOD THAT WE HAVE A FEW MEN AS MR. TRAYLOR TO GIVE US ADVICE.

By James J. Job, Reelsville, Ind.

Permanent streets are a good  
investment—not an expense

### The Pavement That Meets the Challenge of Traffic

Your own observation and experience will tell you that the street which was good enough twenty years ago, or perhaps even ten years ago, simply will not do today.

It lacks the strength, the rigidity and the firmness necessary to withstand the terrific wear and tear of motor transportation.

Only pavement will do this. And the pavement that meets all tests is concrete.

Built in accordance with approved standards of highway construction, the concrete pavement remains free of ruts and bumps, year after year.

Requiring practically no maintenance, it costs less in the end than any other pavement.

Isn't that the kind your community ought to have? Then let your local authorities know that you want your highways paved with concrete.

Our free booklet, "Concrete Facts about Pavements," will be sent promptly on request. Write for it today.
